

FOOTHILL PTO CAREER VOLUNTEER SURVEY

(Please type or print legibly)

NAME: _____

CAREER: _____

JOB TITLE (if different from above): _____

YEARS IN PROFESSION: _____

PLEASE CHECK BELOW YOUR INTEREST IN PARTICIPATION FOR EACH POTENTIAL ACTIVITY: (Please check all that apply)

CAREER NIGHT PRESENTER: Yes___ No___

This activity is best suited for a volunteer who is comfortable speaking to a group of high school students about their career, educational background, a typical work day, typical salaries, etc. The event would be held on a weekday evening at Foothill High in the spring of 2019 and the format would likely be breakout sessions for students with an interest in your particular career.

CAREER NIGHT PANEL PRESENTER: Yes___ No___

This activity would consist of participating on a panel with other presenters representing similar careers (ie. health care professions such as nursing, doctors, physicians assistants, etc.). The presentation would take place at the above Career Night event at Foothill High in the spring of 2019.

CAREER RESOURCE: Yes___ No___

Volunteers interested in this activity would be part of a **database** of resources for Foothill students to contact on their own to learn more about specific careers. The Foothill PTO would maintain the database and provide it to Foothill counseling staff who would release the information to students according to their interest and ability to utilize the resource responsibly and effectively. Time commitments would vary according to the individual needs of the students and willingness of the volunteer.

JOB SHADOWING: Yes___ No___

Volunteers interested in this activity would be included in the above **database** as a resource willing to provide tours of their workplace or job shadowing opportunities to students upon request. As indicated above, the database would be maintained by the Foothill PTO and information released to students through Foothill counseling staff. Time commitments would vary according to the individual needs of the students and willingness of the volunteer.

INTERNSHIP: Yes ___ No ___

Would you or your company be interested in offering a short term or seasonal internship to high school students? You would be contacted for additional information before this information is passed on to students.

DIGITAL CAREER PROJECT: Yes ___ No ___

Would you or professionals from your company be willing to participate in a career learning project where you'd be interviewed and your "career story" would be available for student viewing as part of a campus-based project to bring awareness of a diversity of professions to students? If you are interested, you will be specifically contacted. Time commitment would be approximately 2 hours

Please provide the following contact information for PTO follow-up only. We will follow up with you prior to any information being distributed.
